

.....

# ASBESTOS: COMMUNICATION OF HAZARDS

What Would Cosmo Do?

.....

## ***Cosmo recognizes asbestos warnings*** **Signs and Labels**

Signs and labels shall be posted at the entrance to mechanical rooms or areas that contain ACM and/or PACM

Labels and signs shall identify

- Material
- Location
- Appropriate work practices

## **I Found Asbestos: What's Next?**

If asbestos are damaged and could present a hazard, contact Physical Facilities. If unavailable, contact RMS

## **Disposal of Asbestos**

BYU employees are not to dispose of ACM themselves. Disposal is handled by licensed and qualified personnel.

**"Symptoms may take many years to develop following exposure to asbestos"**

<http://osha.gov/asbestos>

**29 CFR 1910.1001**

***Safety Is Everyone's  
Responsibility***

**BYU**
